COMPARISON

This case: 27 days pending — only 1 of 9 comparable public cases ran longer, and that one carried a documented deficiency. In the same weeks, the Board approved dozens of comparable parcel/survey matters.

THE QUESTION

“What specifically is outstanding in the Building review of BPS26-0517, who has the file, and when will a decision be made?”

Every line is verifiable in the City's own records. Full analysis, data, and open-source code: github.com/nestorwheelock/city-data-sleuth
